FIG 39a

A schematic diagram of a mechanical assembly, likely a robotic arm or a specialized transport mechanism. The diagram includes the following components and labels:

- 2200**: A main horizontal beam or support structure.
- 2202**: A circular component, possibly a pulley or a wheel, at the top right.
- 2204**: A circular component, possibly a pulley or a wheel, at the top right, below 2202.
- 2206**: A vertical rod or arm extending from the top right.
- 2208**: A vertical rod or arm extending from the top right, below 2206.
- 2210**: A circular component, possibly a pulley or a wheel, at the top right, below 2204.
- 2212**: A vertical rod or arm extending from the top right, below 2210.
- 2214**: A vertical rod or arm extending from the top right, below 2212.
- 2216**: A vertical rod or arm extending from the top right, below 2214.
- 2218**: A vertical rod or arm extending from the top right, below 2216.
- 2220**: A vertical rod or arm extending from the top right, below 2218.
- 2222**: A rectangular component, possibly a motor or a sensor, at the bottom left.
- 2224**: A circular component, possibly a pulley or a wheel, at the bottom left.
- 2226**: A circular component, possibly a pulley or a wheel, at the bottom left, below 2224.
- 2228**: A circular component, possibly a pulley or a wheel, at the bottom left, below 2226.
- 2230**: A rectangular component, possibly a motor or a sensor, at the bottom right.
- 2232**: A rectangular component, possibly a motor or a sensor, at the bottom right, below 2230.
- 2234**: A rectangular component, possibly a motor or a sensor, at the bottom right, below 2232.
- 2236**: A rectangular component, possibly a motor or a sensor, at the bottom right, below 2234.
- 2238**: A rectangular component, possibly a motor or a sensor, at the bottom right, below 2236.
- 2240**: A rectangular component, possibly a motor or a sensor, at the bottom right, below 2238.
- 2108**: A circular component, possibly a pulley or a wheel, at the bottom right.
- 3017**: A vertical rod or arm extending from the bottom left.
